2008 VFA GRANT APPLICATION – SPECIAL REQUEST FOR DRY HYDRANT July 2008

The Iowa DNR Forestry Bureau - Fire Program in conjunction with the USFS Volunteer Fire Assistance Grant program will take special requests for the installation of Dry Hydrants as part of the 2008 VFA Grant cycle. Applicants will be offered up to \$2000 of 50-50% cost share funds per hydrant to establish dry hydrants in fire districts who need better access to water in rural areas. These must be applied for as part of the VFA Grant and must be completed in the same time frame (application submitted by October 15, 2008; project must be approved for reimbursement; project must be completed by June 30, 2009; requests for reimbursement must be submitted, along with paid invoices, project billing certification and related documentation, including documentation of any/all in-kind match by July 31, 2009).

Complete the questions below and include a map of the proposed location and a legal description of the location that it is to be installed, include it with your VFA Grant application.

If you have questions, please contact me!
